

Declaration REACH compliance

Regulation (EC) 1907/2006

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) is the European Union/s (EU) chemical management regulation.

Intelliport Solutions Kft. is a producer of complex object and importer of articles. We do not manufacture or import chemical substances or chemical mixtures from outside the EU. Our products do not release chemical substances into the environment during proper use. Based on these Intelliport Solutions Kft. has no obligation to submit any REACH registration dossier.

REACH regulation requires Intelliport Solutions Kft. (HU-1134 Budapest, Róbert Károly körút 70-74.) to provide customers with sufficient information about Substances of Very High Concern (SVCH) on ECHA's Candidate List in a concentration above 0.1 w/w % in the products. Intelliport Solutions Kft. declare that our products comply fully with the REACH regulation.
